REMINDER: Superior Street Kickoff Event on Monday, April 8th

[Duluth, MN] – The City of Duluth is excited to kickoff the next season of transformation in downtown Duluth with a series of upcoming events. Superior Street will undergo the second of three phases of construction to install improved utilities, energy efficient closed loop hot water heat system, and streetscape amenities that cater to more pedestrian activity and enjoyment.

The second phase extends from east of Lake Avenue to west of 4th Avenue E.

Weather permitting, the kickoff event will be held:

Monday April 8 at 1:00pm - Season 2 public kickoff event in front of the Tech Village between Lake Avenue and 1st Avenue E. The public is invited to attend the event that will include speeches from Mayor Emily Larson, Kristi Stokes with the Greater Downtown Council, Northland Constructors, and several other key partners of the project. A reception will follow the program with music, food and beverages.

Learn more about the project phases, get in touch with project staff and get the "Word on the Street" by subscribing to press releases and weekly newsletters at www.superiorstreet.org.
